

## **MASS GUIDELINES**

**Effective May 25, 2021, the Diocese of Green Bay has lifted all COVID restrictions.** However, facemasks will still be optional for those that want to wear them at Mass. Also, the Parish must designate an area in the Church that will be socially distanced. For St. Mary of the Angels that area will be the chairs in the back of Church and the chairs on the Cass street side.

We will continue to receive communion without the cup along the side aisles until the dispensation by Bishop Ricken is ended.

**If you have a temperature, cough, fever, sore throat, been in contact with anyone diagnosed or suspected to have COVID-19 in the past 14 days, or are simply not feeling well, you must stay home and take care of yourself.**

**A dispensation from the obligation to attend Mass remains in effect,** however, if faithful are being vaccinated and/or are returning to school, work, shopping, restaurants, sporting or other social events, they should also be able to return to Holy Mass. Those who have reason to continue to quarantine should do so. Please join us.
